

## Pupil Premium Allocation 2013-2014

For the financial year 2013/14 the Pupil Premium Allocation for Sandhill Primary School was £81,200.

The Pupil Premium Allocation is calculated on the number of pupils on roll in receipt of Scheme of Aid children and Service children on the date of the School Census.

The aim of the Pupil Premium is to enable the School to target pupil's attainment and ensure that they achieve their maximum potential. In order to ensure that the additional monies have the maximum impact on the targeted pupils, thorough analysis is done of the children's academic progress against other pupil groupings in school and national data. Following on from the success of the Pupil Premium allocation spending for 2012-2013 academic year, expenditure has been allocated under broadly the same headings.

The funding is not spent on one particular item, nor always in a defined amount. Monies are placed in the budget and used to support a number of areas in school as per the table below.

This list is not exhaustive but gives an outline of the main areas in which monies will be spent.

Monitoring of pupil progress takes place termly at Progress Review meetings held between the class teacher and a member of the senior leadership team.. Needs are reviewed and next steps identified. The progress of specific groups of pupils is analysed and individual needs carefully considered in order to maximise both educational and social potential. For the 2013-2014 academic year, spending has been successful again in boosting the results of pupil's eligible for pupil premium funding.
