ROAD SAFETY

HAPPY NEW YEAR!

It's great to be back and see so many smiley faces this week! The children have settled well back into school and every time I've visited classes they are all on task!

Mrs. Leech has a great opportunity for parents and children to sign up and learn all about heart safety – if you're interested in learning how to resuscitate please pop in and ask to speak to Mrs. Leech.

Reminders

Please make sure all clothes are named and children are wearing school uniform to school. With the cold, wet weather it is really important that children wear appropriate footwear and coats.

We will be focusing on reading this term and teachers would love to see as many parents as possible writing and signing reading records. It is really important that children bring their books / book bags every day.

Please make sure children bring in their PE kits every week – last half term we had a lot of KS2 children forgetting them – it is part of our curriculum and we expect everybody to participate.

Have a great weekend!

The next newsletter will be out on: Friday 20th January 2017
