## It's time to Read

We are celebrating National Story Telling Week with a Reading Challenge!

We want as many children as possible in the next two weeks to aim to finish their current reading challenge and move onto the next colour.

Every child in school has a reading record – these are full of extra little details to share at home – sounds to learn, key words to practice, book reviews and space to write down all the books they read. We really need your support to encourage reading at home and make sure their reading records are signed whenever they read at home with you or on their own.

Keep Reading!

The next newsletter will be out on: Friday 3<sup>rd</sup> February 2017

Yours in Partnership
